Community Engagement Work Group  
Friday, April 20, 2018

Meeting Minutes

In attendance: Heather Myers (Summit Health), Noel Purdy (Healthy Franklin County), Barb Houpt (Chambersburg YMCA), Christina Methner (Keystone Health)

Welcome and Introductions: Committee members introduced themselves

Minutes: The minutes were reviewed and approved.

Updates on Employer Wellness Survey: Heather shared that the employer wellness survey has been created and the link is live. Jamie Selman will be sharing the survey through her local employer list as a first step in outreach.

Get Fit Franklin County Booklet: The group discussed the Get Fit Franklin County booklet. Discussion included what kind of picture should be included on the front page; Noel and Heather will keep exploring images and ideas. There was no definitive decision on what kind of specific image should be on the cover but the group did agree that real pictures from the community are always going to be better. Christina Methner will have one of the Keystone Health volunteers proofread the first draft and get it back to Noel/Heather before the next meeting.

Partner Updates: Noel shared information about the upcoming Public Health 101 training that will take place on June 25. Registration is live online: <https://www.summithealth.org/PublicHealthTraining101>

Heather shared that Summit Health is hosting “Walk with the Doc” events in May for physical activity month. There will be 4 walks with Providers to discuss tick bite prevention/Lyme Disease, diabetes, stroke, and weight management.

**The next community engagement meeting is on Friday, May 18, 1 PM at SHC Building #2, 2<sup>nd</sup> floor conference room.**
