Welcome & Introductions	Noel Purdy welcomed the committee and introductions were made.	
Approval of Minutes	Noel asked for approval of the July 17, 2017 minutes. Joanne Cochran motioned for approval, seconded by Annette Searfoss. All were in favor.	Minutes approved
Project Manager Report	<p><b>2017-2018 HFC Action Plans:</b> Noel reported that all task forces have been working on updating their actions plans, as well as the workgroups. The completed action plans should be available for distribution by the end of the year.</p> <p><b>Communications:</b> Noel reported that updates have been made to the Healthy Franklin County website. A new events calendar and blog have been added. She is currently working with iWAT to update the indicators. Future plans include adding a newsletter and advertising on Facebook.</p> <p><b>Policy &amp; Procedures:</b> Noel reported that an ad hoc committee was formed to establish a policy and procedures manual for Healthy Franklin County. Noel reviewed the recommendations of the Policy &amp; Procedure Committee, along with comments received from Healthy Franklin County members. She also reviewed a draft organizational chart that was created based on the collective impact model. Joanne Cochran moved to accept the recommendations, seconded by Kenny Wuertenberg. All were in favor. Joanne suggested holding an orientation session for all new members at one time.</p>	
Task Force Reports	<p><b>Nutrition:</b> Nickie Fickel reported for the Nutrition Task Force and the Food Insecurity workgroup. The Food Insecurity workgroup is working on mapping emergency food banks and resources in the community. They are considering adding grocery stores, back pack programs, and fresh food stands to the map as well. Once completed, it will be send to the Healthy Franklin County Leadership Committee for review. Nickie also reported that over the next year the workgroup will partner with the Gleaning Project to formalize a program to distribute food to the Housing Authority.</p> <p>Noel Purdy reported for the Garden workgroup. The Garden workgroup is helping Network Ministries expand their existing garden and looking for funding mechanisms. Beginning in January, an intern will be helping them complete a needs assessment for the Franklin County Housing Authority in Waynesboro to assess community garden interest. The goal is to replicate the Chambersburg program. They are also working with the Master Gardeners to provide a workshop series at Network Ministries focusing on skills training.</p> <p><b>Mental Health:</b> Kenny Wuertenberg reported for the Mental Health Task Force. Workgroup 3.1.2 is supporting primary care physicians in utilizing assessment tools for referral resources. They have also finalized their depression and screening survey, as well as developing an inventory map of mental health providers in the county. The workgroup also reviewed the behavioral health model utilized by Keystone Health in pediatric services and interviewed the pediatric practice. They will be interviewing Meritus Health's pediatric practice as well. They are also in the process of researching</p>

	<p>telemedicine.</p> <p>The Suicide Prevention Coalition is working on a pilot program that will include three organizations with the goal of reducing suicides to zero. There have been 45 QPR trainings on suicide prevention and 191 people have taken the online training. The workgroup also conducted a suicide prevention training at Greencastle-Antrim High School during Suicide Prevention Month and trained 232 students.</p> <p>The Depression workgroup is working on more public awareness of crisis and hotline services. They will be using social media and bulk mail to increase awareness. They are also promoting the MHA Annual Wellness program on trauma.</p> <p>The Child Adolescent workgroup held its first meeting. Kenny reported there is a lot of interest from schools in working on depression and prevention.</p>	
	<p><b>Access to Care:</b> Joann Cochran reported for the Access to Care Task Force. The task force has been focusing on access to insurance, reporting an increase from 12,400 to 27,000 people eligible for MA. They also have been awarded a grant by the Department of Health to conduct research into the negative impact that lack of transportation has on residents, with the goal of eventually receiving a fixed transportation system. They currently have a program in place to partner every person being discharged from the Franklin County jail with a behavioral health provider and a primary care doctor. Screenings are being held with Franklin County Head Start. Joann reported there will be several new goals for Year Two.</p>	
	<p><b>Physical Activity:</b> Heather Myers reported for the Physical Activity Task Force and the Community Engagement workgroup. The workgroup has established a work plan through June 2018. The community walking parties continue and more of an emphasis is being placed on tracking data. The workgroup also applied for a Tourism Quality of Life grant to promote trails and walking routes.</p> <p>Sam Thrush reported for the Built Environment workgroup. Sam shared the trail connectivity map which shows planned bike and trail routes, completed routes, and future plans. The workgroup is also working on an inventory of existing plans and ordinances in the county and will be creating a one to two page summary. Plans are underway to start an inventory of physical activity assets in Franklin County. They have spoken with Professor Andy Mowen, Professor of Recreation, Park and Tourism Management at Penn State University, to obtain ideas and pointers on the best way to complete this inventory.</p>	
Announcements & Updates from HFC Partners	<p><b>Franklin County Head Start:</b> Annette Searfoss invited everyone to attend their annual meeting on October 27. They will be honoring Manny Diaz and highlighting community partnerships.</p> <p><b>Franklin County:</b> Sam Thrush announced that the Chambersburg Borough will be presenting the formal introduction of the bicycle and pedestrian improvement plan to Borough Council.</p> <p><b>SpiriTTrust Lutheran:</b> Melanie Furlong reported that SpiritTrust will be breaking ground on their new skilled nursing and rehab center in November.</p> <p><b>Practical Nursing Program:</b> Jan Collier reported that they will be launching a white paper to inform the public about the status of LPNs.</p>
